

**REMARKS**

The Notice of Allowance and Fee(s) Due mailed 12 December 2005, indicated that claims of the application are in condition for allowance. The amendments to the specification and the drawings are approved by the Examiner.

The Notice of Allowance and Fee(s) Due incorrectly indicates that the inventors are a large entity and the Issue Fee is \$1400. Applicants properly claimed small entity status on the Utility Patent Application Transmittal form filed with the application. The filing receipt correctly indicated that the inventors qualify as a small entity. A copy of page 1 of the filing receipt is attached hereto in verification of small entity status for the inventors Richard C. Bennett and Patricia W. Bennett.

Enclosed is a credit card form in the amount of \$700.00 in payment of the Issue Fee for the above-identified utility patent application. Also enclosed is the Issue Fee transmittal document.

Respectfully submitted,

Date 9 February 2006
